FOREVER IN OUR HEARTS

**"Your life was a blessing
Your memory a treasure
You are loved beyond words
Will always be missed beyond measure."**

OUR VISIONARY LEADERS

Message

Dear Parents / Guardians,

Paradigms in education are not static, they change with the growing body of technical knowledge and changing human needs. Seedling was the result of this realization amongst stalwarts in the field of education who joined hands to form the Ankur Udbodhak Samiti.

The motto of the Samiti is “हस्य नयतु नः ब्रह्मज्ञानं” which means that we aim at wisdom and the ability to comprehend. Our effort is to open all doors so that noble thoughts come to us from every side.

The Samiti aims at inculcating the glorious traditions of Vedic and Sanskrit Institutions as part of developing the personality of the students and their social behaviour. Emphasis is laid on building good citizenship and patriotic values in the students..

The mission of the school is to develop human beings who are useful to society and who will shun negative views in life. It is our constant effort to identify a child's latent potential and nurture it to its full potential, to provide an ambience and culture that promotes the spirit of competition, excellence, love, dedication and self-esteem. The school strongly believes that such education can be imparted by building a strong understanding with the parents. The school appreciates and is sensitive to the expectations of the parents who send their children to our school

Our institution is a place where students and teachers are provided with innovative and challenging ways to think about what they are doing and by allowing them to figure out the best ways to accomplish their goals

It has rightly been said that “Future belongs to those who believe in their dreams”. Education is the gate pass to achieve those dreams. It is my privilege to create a platform for surging talents of Seedlites. This institution has been established with zeal and vision to fulfil that dream of students, which makes them part of a family known for its quality and integrity.

May Almighty be our inspiration and strength through this journey.....

Mr. Hardeep Bakshi

Chairman, Seedling Group of Institutions

“My concern is how students become critical thinkers and problem solvers which is what a democratic society needs”.

Message

“We nurture talent and harness potential to develop global leaders for tomorrow”

Dear Parents / Guardians,

Choosing the right school for your child is vitally important. Most parents, just not look for an institution that can impart good education to their children but they also want a safe and secure environment where their children feel happy. I believe that Seedling Modern Public School offers all these things.

When our Seedling was planted, the need for its careful nurturing and tending was also established. I, as the caretaker of the growing sapling, went about structuring its growth both quantitatively and qualitatively with the zeal and courage of a pioneer.

My dream is not only to raise the educational standards, but also to hand down a tradition- a tradition in culture and civilization, inculcating the spirit of citizenship amongst the youth of the country. “Tireless efforts never go unrewarded.” Seeking to this, experienced and qualified teachers were hand picked ensuring that they were compassionate and sensitive to the needs of students, meeting the modern day challenges and aspirations of both students and parents.

With each firm step forward, I came closer to my goal. I am fully confident that your decision of sending your child to Seedling Modern Public School is fully right. Seedling will help him / her to enhance competence and confidence in order to meet the challenges that lie ahead and to leave the footprints on the sands of time.

Mrs. Moneeta Bakshi

Executive Director, Seedling Group of Institutions

About Seedling Group of Institutions

The group started its journey with Seedling Nursery founded in the year 1983 by Late Mrs. Mohini Bakshi along with eminent people from various walks of life. Encouraged by the steady progress of the Nursery School, the Samiti established Seedling Public School (a co-educational institution) at Jawahar Nagar, Jaipur in the year 1992 to impart the type of education needed for an all round development of physical and mental capabilities, character and personality of the school going children.

In April 1997, Seedling Group spread its wings to establish a second branch at Mahaveer Nagar-II, Durgapura - Seedling Modern High School. Both branches are today recognized as premier educational institutions of the Pink City affiliated to CBSE, New Delhi and offering 10+2 pattern of education.

Emboldened by the success of two schools, the Group expanded its horizon by establishing Seedling Academy of Design Technology and Management (SADTM) in the year 2002, for enterprising youth who wished to make a career in emerging areas including Biotechnology, Management, Computer

Science, Mass Communication & Engineering. With the State Government's policies indicating plans to promote the industrial base, Jaipur is considered as the next technology destination of the country. The Group, in keeping with these plans, established another institute of higher education, Seedling Institute for Integrated Learning & Advanced Studies (SIILAS) offering Five Year Integrated Courses in Life Sciences, Information Technology and Commerce in the year 2006. This institute also offers a Post Graduate Diploma in Business Management, equivalent to M.B.A.

One of the biggest achievements of the Group has, however, come with the establishment of Jaipur National University, Jaipur under Act No. 5 of 2008 on 29th March 2008 of the Government of Rajasthan. The University which includes both SADTM and SIILAS under its umbrella offers a plethora of innovative courses. It also runs a multi speciality hospital J.N.U. with more than 1500 beds.

Besides the schools and a university at Jaipur, the Group has established two schools in Udaipur in 2002. One is Seedling Modern Public

School at Sapetia. It is a Senior Secondary School affiliated to the C.B.S.E and provides instructions on the 10+2 pattern. At the +2 stage diverse combination of subjects are offered by the school in Science, Commerce and other streams. The other is the Nursery Branch at Punjawati, which is exclusively from playgroup to Prep. The group grew further and the third School, Seedling The World School, was established in 2016. The school is affiliated to Cambridge, UK.

OUR FOCUS

Holistic Development & Growth of all learners with:

- Opportunities for students to grow physically, emotionally, ethically, spiritually and intellectually.
- Opportunities to acquire knowledge in a secure and supportive atmosphere.
- Opportunities to develop wisdom, decisiveness and commitment towards responsibilities.
- Opportunities to promote & encourage children to come out with innovative ideas and learn with real life experience.
- Opportunities for better learning outcomes with ideal student - teacher ratio.

School Policy

Medium

The medium of instruction adopted by the school is primarily English. However, due importance is given to Hindi, our official language. Sanskrit is taught as the third language.

Co-education

Social and Psychological adjustment between boys and girls is of prime importance in the contemporary world and hence the school has opted for co-education

House System

To help students imbibe the spirit of healthy competition, the school is divided into four Houses. A number of Intra-Class, Inter-Class, and Inter-House activities and competitions provide students an opportunity to discover and enhance their talents. The names of the four Houses are:- Indra, Soma, Surya and Varuna

Courses of Study

The courses of study are designed to bring about the holistic development of students in line with the C.B.S.E directive from standard I to XII. The Streams offered by school at +2 level are- Science, Commerce and Humanities with various subject combinations.

Note : The students who pass out from Seedling School Nursery Branch shall be eligible to get admission in Seedling Modern Public School / Seedling The World School automatically against enrol-admission charges.

Scholarship Fund

The School helps a large number of needy children with full or partial scholarship so that they may be beneficiaries of good education. Scholarships are also awarded to academic and Sports achievers in every session.

Learning Environment

The learning environment in the school is conducive to all round development and growth. The emphasis is on participatory learning through discussions, seminars, projects, and numerous activities. We offer a supportive environment to students who need special attention by arranging extra/remedial classes from time to time. We make teaching-learning interesting and interactive with the help of teaching aids and latest technology.

Learning and evaluation go hand in hand. There are two school terms in each session. Term I from April to September and Term II from October to March. Each term includes one Periodic and Term Assessment. Records of the students' progress are kept and reports are sent to the parents.

Communication Skills

Communication plays a major role in the modern world. All education is futile without the development of proper communication skills. There are numerous opportunities offered at Seedling to develop these important skills among the students. Elocution, Debates, Group Discussions, Essay Writing, Story Writing, News Reading and Extempore Speech by the students play a key role in the development of communication skills.

Facilities

Laboratories

Biology, Physics, Chemistry, Mathematics and ICT departments have well equipped labs, to deal with all the practical aspects of these subjects. They are well furnished with demo tables, students working tables, spacious cupboards, soft board for notices/circulars and required equipment including weighing balances, microscopes, distillation apparatus, chemicals, specimens, etc. A team of 25-30 students can comfortably occupy each lab at a time. Electrical/gas connections provided at every table enable the students to work individually.

Mathematics Lab

The Mathematics laboratory is making the learning of the subject very interesting for students in the school.

Computer labs - Bits and bytes

The computer lab has system with the latest configurations and operate in a LAN environment with Broad Band Internet Connection. The lab is furnished with all requisite modern

computer peripherals which aid the computer education.

Smart Class

An exhaustive repository of world class digital modules of lessons consisting of 2D and 3D animations, graphics, audio and video on every subject has made difficult concepts crystal clear. The result is amazing. A new light of understanding has dawned on young awakened minds. Smart class has made the class rooms a fascinating place for children.

Atal Tinkering Lab

A workplace where children can realise their ideas through hands-on do-it-yourself mode and also acquired innovation skills. It also develops logical and analytical abilities in learners. They also get chance to comprehend STEM (Science Technology, Engineering and Math)

Library

The School Library fosters the development of life- long learning abilities and love of reading in its students. It is stacked with books

of different genres. It also provides teachers with instructional materials and professional resources.

Our Staff

Teachers make a school. The quality of an organization's work force is decisive in its achievement of enduring success. This is why Seedling recruits teachers who possess the optimum combination of knowledge, skill and aptitude. These qualities enable them to function cross culturally and as a result, greatly influence the success of your child.

Parent-teacher Interaction

In order to receive maximum co-operation from parents the school organises parent-teacher meetings at regular intervals of time, which play a major role in running of the school.

Sports and Games

It is often said that a healthy body also helps to create a healthy mind. However, in today's competitive world, parents and students often tend to ignore participation in sports in the fear

that the child's academic performance may suffer. This unfortunately cannot be considered as the correct approach for a holistic educational experience. Even if a student does not wish to make a career in sports, participation in games and physical activity as such should not be curtailed. Without doubt, physical fitness contributes towards improving mental fitness. The school has well qualified full time physical education teachers to supervise and co-ordinate the various sports activities. Students are offered maximum opportunity to participate in the Interschool, District, State level and National level competitions

Health and Medical care

The school pays special attention to the students' well being. All students are put through an annual medical examination by specialists.

Transport

A fleet of buses & vans provide a regular service from the school premises to different places. Students availing the school transport facility are properly cared for.

Withdrawals

- The intended withdrawal of a student from the school must be given to the Principal/Chairman in writing at least three months (90 days) in advance along with a copy of the receipt of the fee of the next quarter being paid.
- Those parents/guardians who withdraw children from the school in April or May and the students of Std. X and XII who wish to discontinue their studies, must pay fee up to June.
- The School has the right to ask the parents to withdraw their child if his/her progress in studies is unsatisfactory, attendance irregular, conduct harmful to other students, fee not paid in advance or if there are other reasons which, in the opinion of the school authorities render his/her continuance in the school undesirable.
- That in the event of non payments of the outstanding school fees, the school shall not be liable to issue any transfer certificate, migration certificate and other documents.
- Honesty, cleanliness, good manners and loyalty are expected from each student and any one not conforming to the school's rules in these matters may be asked to leave. Immorality or wilful damage to property are always reasons for dismissal.
- A student who fails a second time in the school will be asked to leave the school.

ATTENDANCE

- 95% attendance (excluding the period of sickness) is compulsory to qualify a student to appear at the annual examination. Total days are counted from the day of opening of the school and not from the date of admission of student. The name of such students keeping themselves absent continuously for ten working days will be struck-off automatically without any sort of prior notice to the parents to this effect.
- Half day leave is not granted.

Admissions

- All applications for admission must be made on the prescribed form along with a non-refundable and non-transferable amount.
- Applications for admission must be submitted not later than the date indicated on the bulletin board in the School Office.
- No student will be admitted unless he/ she produces a Transfer Certificate from his/her previous school. If he/she has not attended a School previously, he/she must produce a Birth Certificate. Moreover, an affidavit is required for the date of Birth attested by a First Class Magistrate or Notary Public on a Rs. 10/- Non-judicial Stamp Paper. In addition, the parents of all applicants must sign an "Age Declaration Form" guaranteeing that, at no time, and under no circumstances, will any request be made for a change in the date of birth.
- There is a scale of minimum and maximum ages for admission to classes. The School authorities reserve the right, through the Management, to reject any application for admission without assigning any reason and even to expel any student already admitted to the School.
- Fee once deposited is neither refundable nor transferable, under any circumstances.
- Caution deposit will be refunded when the student applies for transfer certificate to leave the school. **Please provide the ORIGINAL receipt given to you at the time of admission to claim the caution money.**
Note: Without the ORIGINAL receipt the amount will not be refunded.
- Also, if a Seedling Nursery student takes admission in High school his/her Caution deposit gets transferred.
- Seedling Nursery School is one of the separate entities under Seedling Group of Schools, Udaipur. Nursery school students seeking admission to High school have to undergo all the admission formalities, including the enrollment & depositing development charges. Management reserves the sole right to deny the admission of Nursery students to High School.

Promotion

- At the end of the session, promotion to the next class will be decided on the basis of the whole year's performance and scores in all the Periodic and Term Evaluations. Regular attendance and steady work, therefore, will be a condition for promotion.
- Failure in individual subject like English, Hindi or Mathematics renders a pupil liable to repeat the class. Besides, failure in any two subjects is sufficient reason for not granting promotion.
- In view of the system of the year's average in determining eligibility for promotion, it will not be possible to hold retest. Thus, results declared at the end of the year are final and will not be reconsidered.
- Class Tests or Term Exams will not be taken prior or post the scheduled dates.
- The answer copies of the final term exams will not be shown to the students or parents.

Guidance For Parents / Guardians

- It is expected from all the parents to read and understand carefully the entire prospectus.
- Parents are requested not to enter class-rooms either to see their wards or to seek meetings with the teachers during school hours. Meetings, with prior appointment, can be arranged from the school office.
- They are requested to co-operate with the school in its attempt to help their children progress by paying attention to their regularity, punctuality and discipline and by taking interest in their children's work. They should check the diary everyday, the home-work set and any other instructions given. They are advised to check the bags of their wards to see if any circular, notice or invitation etc. has been issued.
- They are required to inform the school if there is any change in their Address/Telephone Numbers.
- Leave for half day should be avoided, as far as possible, for security reasons. In emergency, written permission must be taken from the Principal/Director and class-teacher and the bus Incharge should be informed. Escort Card is MANDATORY to be carried.
- Children, when sick, should not be sent to school to attend classes.
- Parent's attention is drawn to the fact that criticism of a teacher or the school in the presence of a child causes the child to lose his or her respect for the teacher and will negatively impact his / her progress.
- Any communication made by the parents should be addressed to the Principal/Director and not to the class-teacher, and all correspondence from the school should go through the Principal/Director.
- Parents should sign the progress report and return it to the school within three days. If this report is lost, a replacement will be made only after payment of Rs. 250/-
- **ALL POSSIBLE CARE AND PRECAUTIONS ARE TAKEN TO SAFEGUARD YOUR WARD. HOWEVER, IN CASE OF AN INJURY/ ACCIDENT, THE SCHOOL MANAGEMENT, PRINCIPAL, OR TEACHERS WILL NOT BE HELD RESPONSIBLE.**

Rules For Seedlites

- Every student is expected to keep up the high tone of the school by excelling in conduct, good manners and cleanliness both in and around the school.
- The school uniform is to be worn on all school working days. A student who is not properly dressed may be sent home.
- Sports uniform to be worn every Wednesday (For details, please refer the school diary).
- Parents to please attend to the personal hygiene of their ward(s). For Girls:-Only very short hair may be kept open; medium length and long hair to be properly plaited.. No fancy hair clips or bands are to be used.
- For Boys;- Only crew cut (army type) hair is permitted. Senior boys are expected to be clean shaven. No moustaches or beard is allowed.
- Student must come to school at least 5 minutes before the bell rings, for assembly. Any student who is found to be late more than once a week will be sent back home.
- Students are not allowed to bring with them costly materials or any item of jewellery or money. The school authorities will not be responsible for their loss.
- Any kind of damage to school property is to be made good by the parents.
- Parents are not allowed to enter the class rooms except for the day of Parents-Teacher's meet.
- Parents are allowed to meet the class teacher/subject teachers on Saturdays with prior appointment (After the school hours).
- Quarterly fee must be paid by the due date, failing which a penalty of rupees Rs 10/- each day will be charged.
- Students are not allowed to use the school phone without permission. In case of emergency, permission may be taken to make a call. Students will not be allowed to answer phone calls during school hours.

EXPECTATIONS FROM SEEDLITES

- They should speak in English all the time.
- They should take pride in wearing their school uniform.
- They should take good care of their health and keep robust and strong.
- They should always be friendly with others in and out of the school.
- They should avoid vulgarity in talk and behaviour.
- They should always be ready to lend a helping hand at home to their parents, brothers and sisters; in school to teachers and companions and any unattended visitor they happen to meet in the school premises.
- They should rise when any teacher or visitor comes to talk to them.
- They should never cheat or be unfair at work or at play. Any child found cheating or using unfair means in the exams will not be allowed to take the exams and may also be expelled from the school.
- They should be truthful, whatever be the cost.
- They should never be cruel. They should know that cruelty is the trait of the bully, while kindness is the mark of a gentleman.
- They should respect the decorum of the class-room and of the school premises, and report any damages they may observe.
- They should never hesitate to say “No” when asked or tempted to do a thing which they know to be wrong.
- Instead of lamenting or grumbling over the evils of this world, they should try to contribute their share in making it a better place to live in.
- They should look upon people from all parts of the world as their brethren, irrespective of their colour and creed.
- They should not waste their time in idle gossip
- They should be brave and courageous and should express themselves freely, but with politeness.
- They should accept their mistakes boldly, in case they commit any; on the other hand, they should be strong enough to deny any charges against them, provided they have not done anything wrong
- Bursting of crackers and playing with colours in the school premises during Diwali and Holi respectively is liable to lead to expulsion of a student from the school. They can also be expelled for their absence on Independence Day & Republic Day.
- They should not drive a vehicle or a two wheeler without a proper driving licence and a written consent of the parents. Wearing of helmet is a must for those students driving a two wheeler.
- Proper discipline is expected from students while commuting by school bus or van.
- No mobile phone is allowed inside the school premises. If anybody is found, the phone shall be confiscated. He/ she will be issued a yellow card and the phone shall not be returned.
- The school diary should be brought to school everyday. Even on examination days.

SEEDLING SCHOOL NURSERY BRANCH

THE BEST CHILD – CENTRIC CURRICULUM AND GLOBAL LEARNING EXPERIENCE UNDER A BEAUTIFULLY DESIGNED CAMPUS IN THE HEART OF THE CITY.

Your child's years at Nursery will be some of their MOST FORMATIVE. This is where:-

- They grow, explore and learn.
- They will be passionately curious.
- Confidence is carefully nurtured.
- Lifelong knowledge is discovered.
- Creativity has space to flourish.
- Nature is explored (even within the big city).
- Successful education begins.

AGE WISE GROUP PATTERN

Play Group	: 2 Years +
L.K.G.	: 2½ Years +
U.K.G.	: 4 Years +
Prep	: 5 Years +

Our Vision

Our vision at Seedling Nursery School is to support every child in their quest to become the best they can be, through engaging them in our rich learning environment and caring for them with genuine affection.

We foster a passion for learning and exploration that will last lifetime with the child. The moral values instilled in them would help them to respect the environment, people and the culture they live in.

They will carry with them excellent skills of independence, an ability to engage in meaningful play, and knowledge that they are capable as loveable and valuable members of the society.

Admission Rules

All applications for admission must be made on the prescribed form along with a non-refundable amount. Application for admission must be submitted not later than 3 working days.

At the time of admission a Birth Certificate and Aadhar Card copy is to be submitted along with parent's ID proof.

Seedling Nursery School is one of the separate entities under Seedling Group of Schools, Udaipur. Nursery school students seeking admission to High school have to undergo all the admission formalities, including the enrollment & depositing development charges. Management reserves the sole right to deny the admission of Nursery students to High School.

Caution deposit will be transferred if a Seedling Nursery student takes admission in High School or refunded if the student applies for transfer certificate to leave the school. Please provide the ORIGINAL receipt given to you at the time of admission to claim the caution money.

Note: Without the ORIGINAL receipt the amount will not be refunded.

Fees once paid is neither transferable, nor refunded even if the student

prefers not to continue.

Any child leaving in mid-term or during the academic year (due to transfer or otherwise) has to pay the next quarter fee as well.

75% attendance of a student (excluding the period of sickness) is compulsory to qualify for promotion to the next level.

Long absence of more than 15 days can amount to cancellation of admission automatically.

Promotion- to higher class is granted on the basis of regular revision assessment. The opinion of the Principal/ Executive Director decision will be considered as final.

Student's absence for any written Assessment will not be given a second chance. In case of illness or any other special circumstances his/her case may be considered after submission of doctor's certificate along with an application to the Principal/Executive Director.

Curriculum

At Seedling Nursery we use the systematic teaching of phonics to support children in teaching to read and write. We use the Jolly Phonics programme

which uses lively and interactive visual, auditory and kinesthetic methods.

Phonics is the teaching of how sounds are shown by letters in the alphabet because it is the sounds which letters show and help children learn how to read and write.

Learning is made interesting, fun and activity oriented. Children learn to comprehend through a multi sensory approach as concepts in Number Work, English and E.V.S. are made clear with the use of multimedia as well. We call it our 'Happy Curriculum'.

Amenities

- Ideal teacher – student ratio
- Spacious playground
- Bright spacious and airy class rooms
- Well equipped audio visual room
- Toy rooms and activity centres
- Sand pit and water play
- Puppet theatre and Drama learning centre
- Transport facility
- Music and dance room
- Mini Library
- Indoor Play Area
- 24 hours camera surveillance
- Lush green garden area.
